

# waste management sites

Hills' aim is to provide customers across Wiltshire and neighbouring counties with a complete one-stop waste management service. Central to that aim is the operation of six multi-faceted sites as shown below.

These waste management sites provide comprehensive recycling services, with specialist disposal facilities for inert, non-hazardous and hazardous wastes.

The standards demanded at each site are high, the aim being to minimise impact on the environment and on neighbours in local communities.

All six sites are certified to the international standards of ISO 9001, ISO 14001 and BS OHSAS 18001.

## PARKGATE FARM (PURTON)

The Hills waste management centre at Purton, near Swindon, is a non-hazardous and hazardous landfill. It is also a waste collection and skip / container hire depot. The site is an important regional facility for composting and for the disposal

of hazardous waste. Wastes handled include those from contaminated sites that are being re-developed as a means of minimising the call on greenfield sites. The clay extracted to create landfill void space is itself a valuable mineral.

### KEY FEATURES

- Waste collection depot
- Skip and container hire
- Non-hazardous landfill
- Hazardous landfill
- Asbestos disposal
- Clay extraction
- Transport depot
- Green waste composting

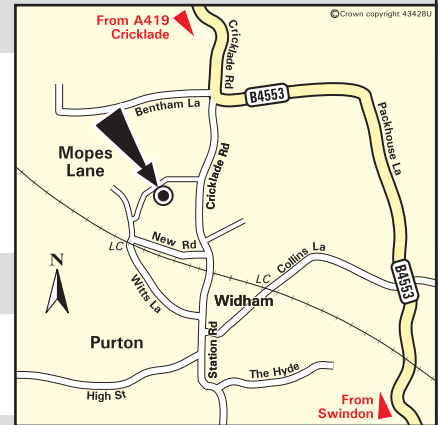

### ADDRESS

Hills Waste Solutions Limited, Mopes Lane, Purton, Swindon, Wiltshire SN5 4HG  
Tel: 01793 773400

### HOURS

Monday - Friday: 07.00-16.30 Saturday: 07.30-12.00 by arrangement only

To book deliveries of hazardous waste, call 01793 714459 a minimum of 24 hours prior to tipping.

## LOWER COMPTON (CALNE)

The Hills waste management centre at Lower Compton on the outskirts of Calne incorporates a range of collection, disposal and recycling operations. The site is the hub for Wiltshire's recycling and resource recovery campaign and includes a large materials recycling facility (MRF).

Underpinning all the other activities is a non-hazardous landfill operation serving a wide area of Wiltshire. Void space is created by extraction of silica sand. The site is open for local businesses to dispose of waste which will be recycled where possible.

### KEY FEATURES

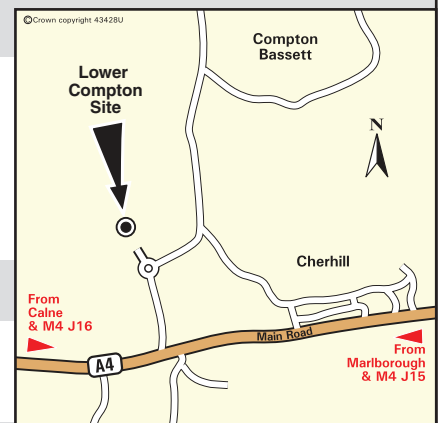

- Waste collection depot
- Skip and container hire
- Non-hazardous landfill
- Materials Recycling Facility (MRF)
- Gas-to-energy
- Waste recycling
- Wood recycling

### ADDRESS

Hills Waste Solutions Limited, Old Camp Sandpit, Lower Compton, Calne  
Wiltshire SN11 8RB Tel: 01249 815401

### HOURS

Monday - Friday: 07.00-16.30 Saturday: 07.00-12.00 Note: Access to the site is via the A4

## PORTE MARSH (CALNE)

This facility handles Wiltshire's municipal cardboard and plastic kerbside collections. The material is sorted and baled at the facility and then transported on for recycling.

**KEY ACTIVITY** • Waste recycling services

**ADDRESS** Hills Waste Solutions Limited, Unit 3-5, Porte Marsh Industrial Estate, Porte Marsh Road, Calne, Wiltshire SN11 9BW Tel: 01249 822811

**HOURS** • Monday - Friday: 07.00-18.00 Saturday: 07.30-13.00

## NORTHACRE RESOURCE RECOVERY CENTRE (WESTBURY)

This facility handles 90,000 tonnes of waste each year, including 60,000 tonnes of Wiltshire's household waste. The process uses mechanical and biological treatment (MBT) to create solid recovered fuel (SRF) for use in renewable energy plants. The Northacre Resource Recovery Centre is operated by Hills Waste Solutions under a 25 year contract agreed with Wiltshire Council.

**KEY ACTIVITY** • Waste treatment

**ADDRESS** Hills Waste Solutions Limited, Northacre Resource Recovery Centre, Stephenson Road, Westbury, Wiltshire BA13 4WD Tel: 01373 753100
